

BikeCourier Onboarding Icon Fix Reference

Purpose: replace every broken square placeholder with real vector icons. Use this PDF as a visual handoff for the AI agent/developer.

Global Icon Standard

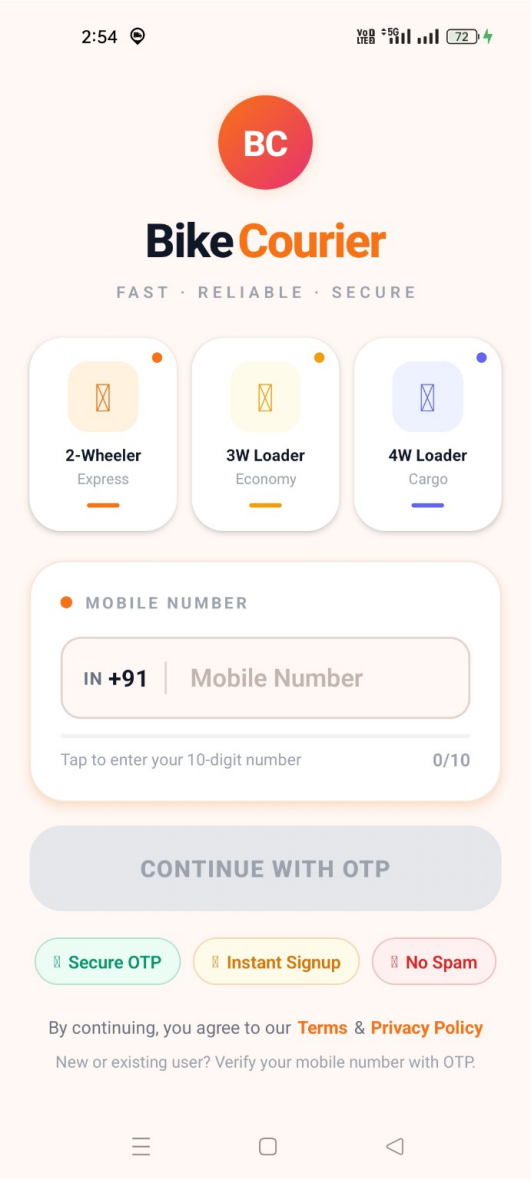

Item	Target
Icon libraries	Feather + MaterialCommunityIcons only
Small tile	48 x 48, radius 14-16, icon size 22-24
Hero tile	72-88, radius 20-24, icon size 34-42
No-go	No square glyphs, no broken unicode, no emoji fallback, no empty colored tiles
Allowed money text	INR or Rs / plain amount text only

Critical rule

Every colored icon box must contain a real vector icon. If the icon is not important, remove the box entirely. A colored box with a square glyph is considered a failed screen.

Login Screen

Use branded vector icons in service cards and trust chips.

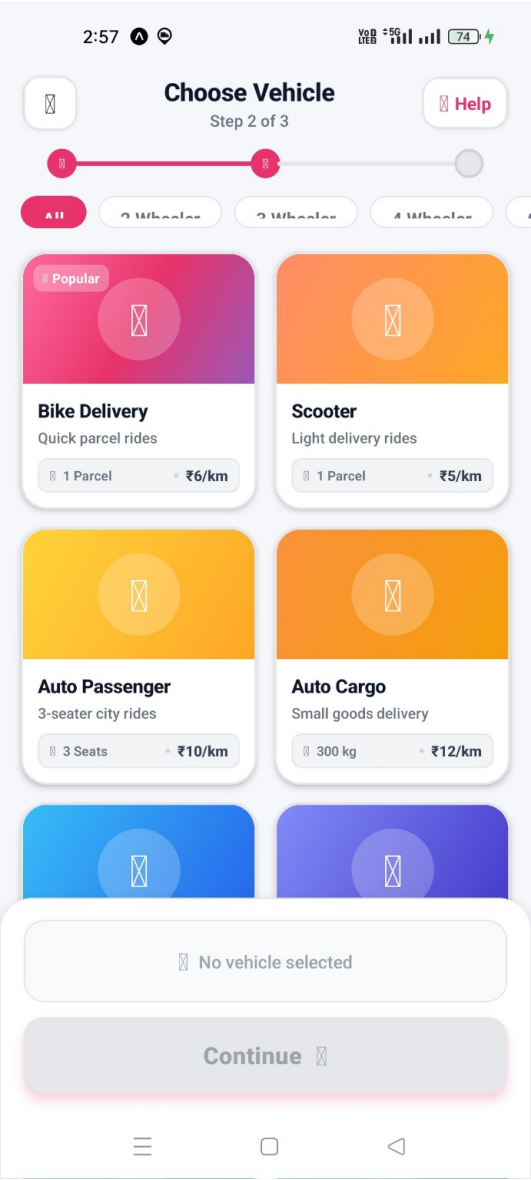

Broken/empty area	Use this icon
Service card 2-Wheeler	MaterialCommunityIcons: motorbike
Service card 3W Loader	MaterialCommunityIcons: car-side or rickshaw
Service card 4W Loader	MaterialCommunityIcons: truck
Secure OTP chip	Feather: lock
Instant Signup chip	Feather: zap
No Spam chip	Feather: bell-off or shield-off

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Vehicle Selection

Replace all square placeholders with vehicle and UI icons.

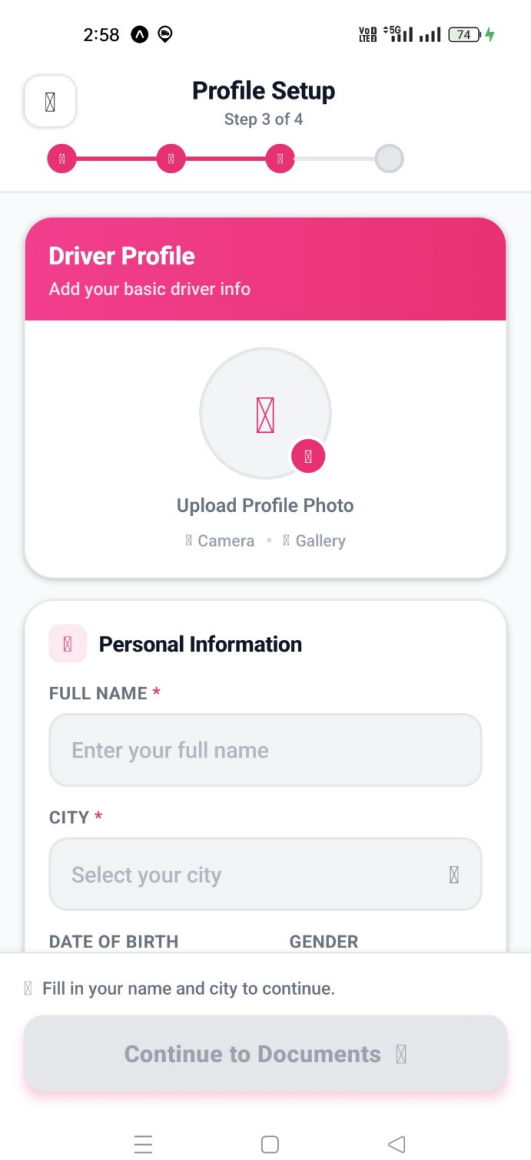

Broken/empty area	Use this icon
Back button	Feather: arrow-left
Help button	Feather: help-circle
Progress dots	Feather: check for completed, Circle for pending
Popular badge	Feather: star
Vehicle hero icons	MaterialCommunityIcons: motorbike, scooter, car-side, truck, pickup-truck
Passenger capacity	Feather: users
Cargo capacity	Feather: package
Selected state	Feather: check-circle
Bottom CTA	Feather: arrow-right

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Profile Setup - Top

Fix header/back/progress/profile/personal-info icons.

Broken/empty area	Use this icon
Back button	Feather: arrow-left
Progress steps	Feather: check
Driver profile avatar	Feather: user
Camera badge	Feather: camera
Camera/Gallery row	Feather: camera + image
Personal Information tile	Feather: user
City input	Feather: map-pin
DOB	Feather: calendar
Gender	Feather: users

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Profile Setup - Details

Fix selected-vehicle, vehicle-details and verification icons.

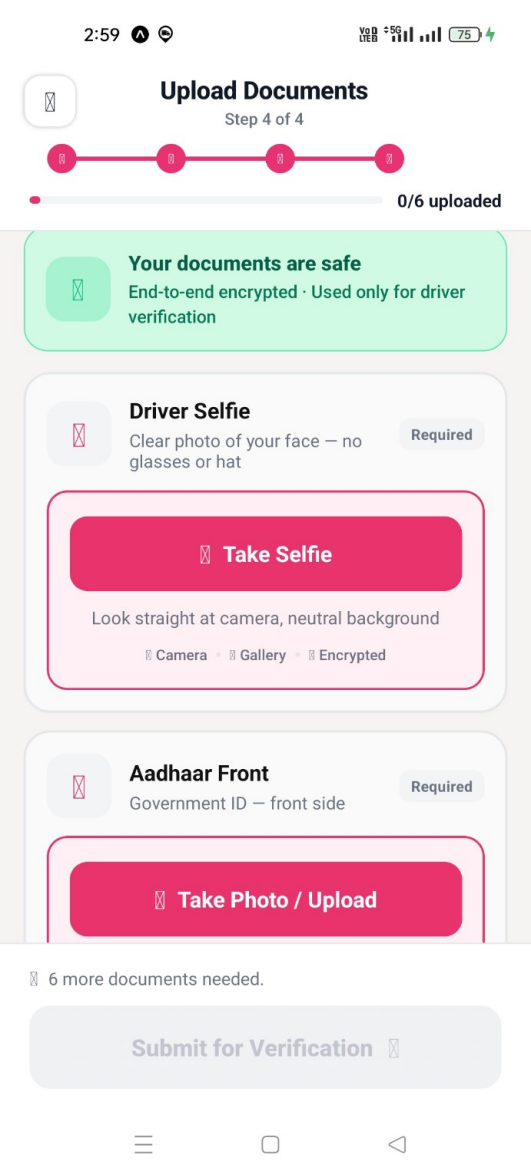

The screenshot shows a mobile app interface for 'Profile Setup', Step 3 of 4. At the top, there's a status bar with time 2:58, signal strength, and battery level 74%. Below the status bar is a progress indicator with four steps, the third of which is active. The main content area is divided into three sections: 'Selected Vehicle' (with a 'Bike Delivery' option), 'Vehicle Details' (with input fields for 'VEHICLE NUMBER' and 'LICENSE NUMBER'), and 'Verification Process' (with a message about profile review). At the bottom, there's a 'Continue to Documents' button and a footer with navigation icons.

Broken/empty area	Use this icon
Selected vehicle section	MaterialCommunityIcons: motorbike/truck by selected vehicle
Selected check	Feather: check-circle
Vehicle details tile	Feather: hash or truck
Vehicle number	Feather: hash
License number	Feather: credit-card or award
Verification Process	Feather: shield-check
Continue button	Feather: arrow-right

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Document Upload - Top

Fix safe-docs banner and upload card icons/buttons.

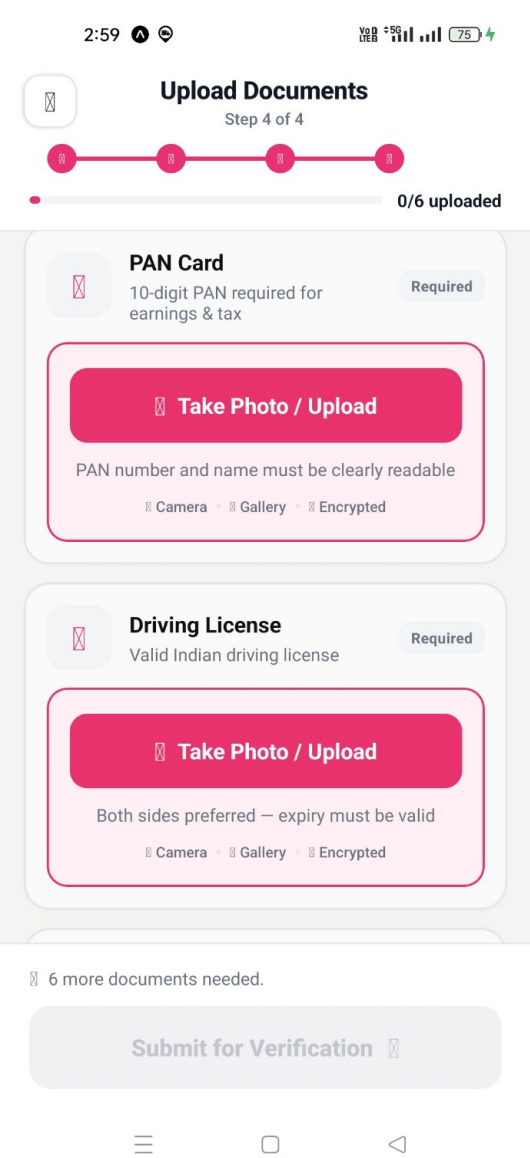

Broken/empty area	Use this icon
Back button	Feather: arrow-left
Progress steps	Feather: check
Safe documents banner	Feather: shield-check
Driver Selfie	Feather: camera
Aadhaar Front	Feather: credit-card
Upload button	Feather: camera or upload
Meta row	Feather: camera, image, lock

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Document Upload - Lower

Fix repeated upload card icons and footer button icons.

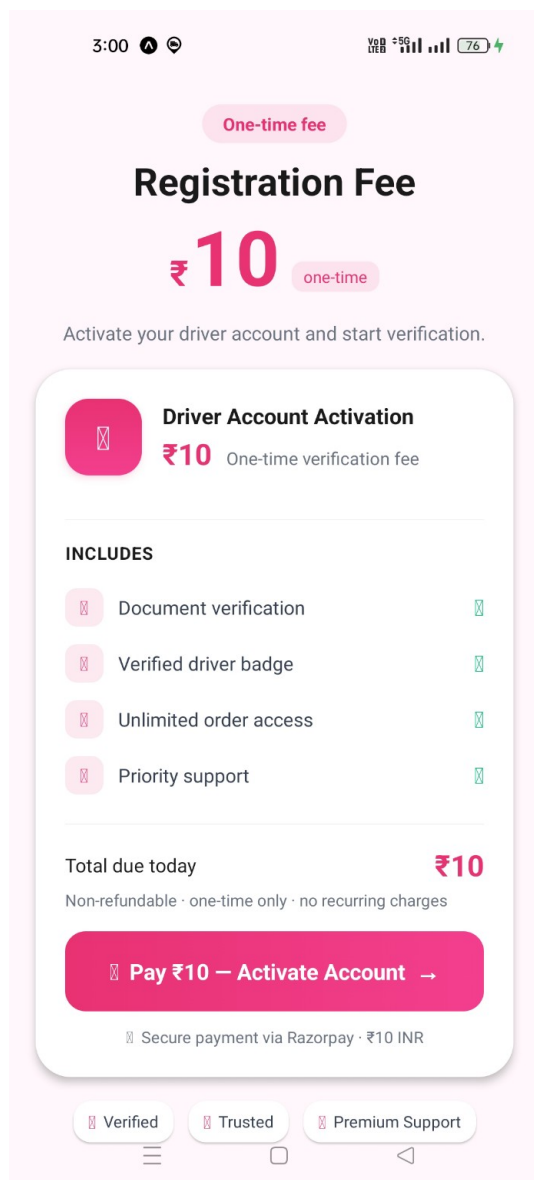

Broken/empty area	Use this icon
PAN Card	Feather: file-text
Driving License	Feather: award or credit-card
Vehicle RC	MaterialCommunityIcons: truck or Feather: file-check
Pending note	Feather: info
Submit button	Feather: arrow-right
Uploaded success state	Feather: check-circle

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Registration Fee

Fix activation, includes checklist, CTA and trust icons.

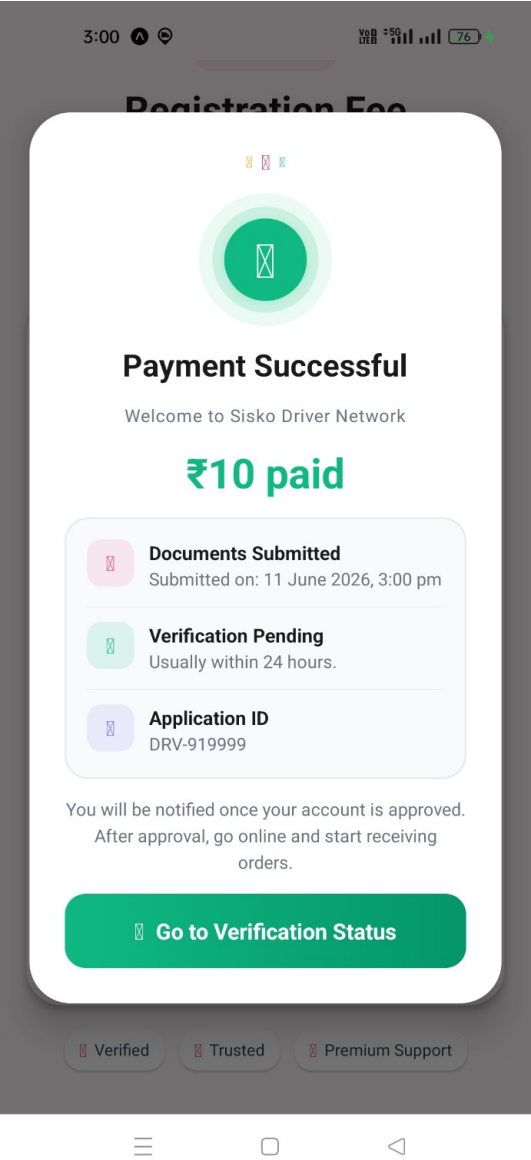

Broken/empty area	Use this icon
Activation icon	Feather: shield-check
Document verification	Feather: file-check
Verified badge	Feather: award
Unlimited order access	Feather: package
Priority support	Feather: headphones
Payment CTA	Feather: credit-card + arrow-right
Secure Razorpay	Feather: lock
Trust chips	Feather: check-circle / shield / star

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Payment Success Modal

Fix success badge, info rows, Application ID and CTA icons.

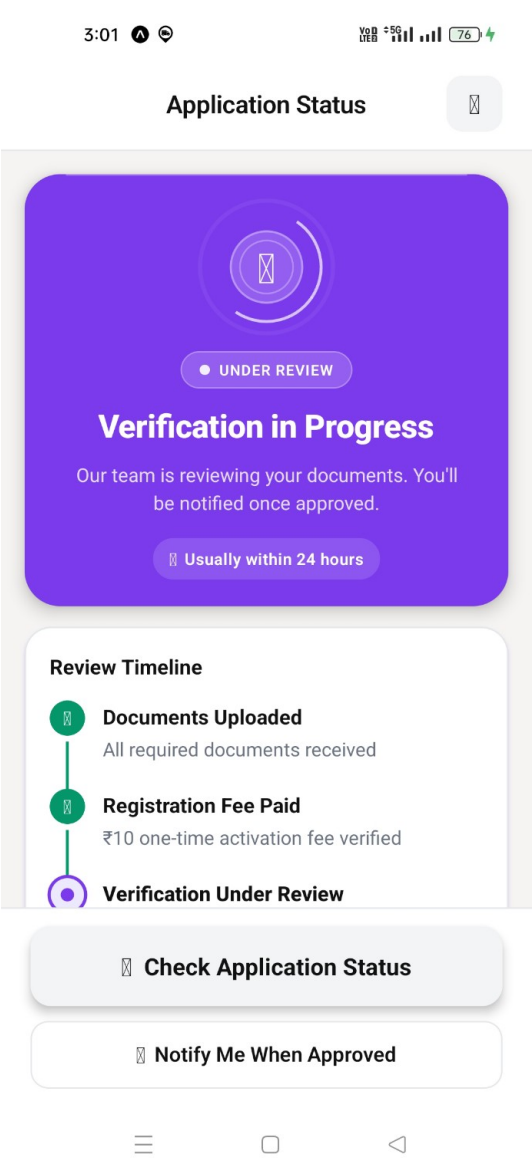

Broken/empty area	Use this icon
Success badge	Feather: check-circle
Documents Submitted	Feather: file-check
Verification Pending	Feather: clock
Application ID	Feather: hash
CTA	Feather: arrow-right
Sparkles	Feather: star or remove

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Verification Pending - Hero

Fix hero/timeline/buttons icons; keep compact layout.

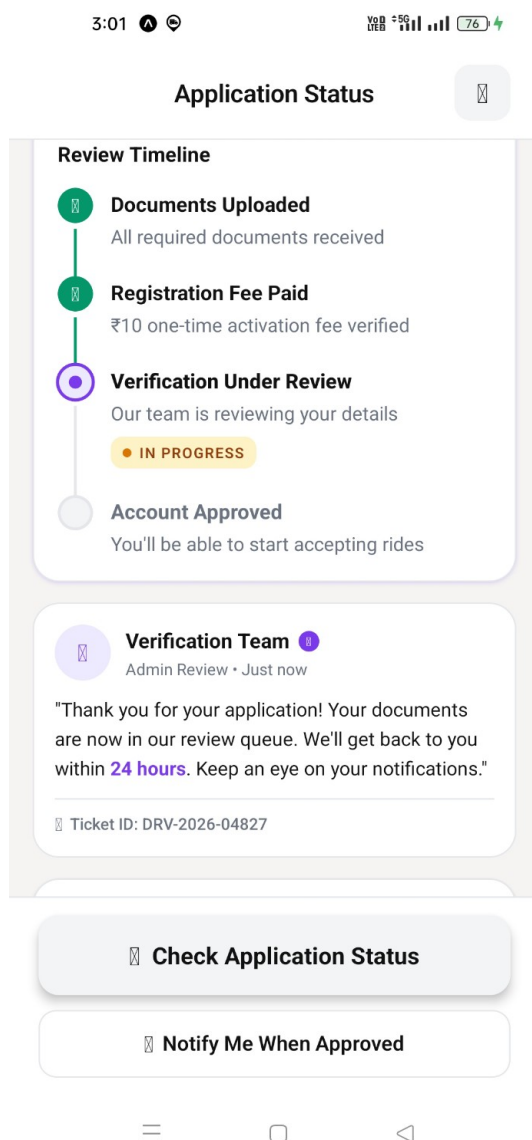

Broken/empty area	Use this icon
Header action	Feather: user-check or bell
Hero center	Feather: shield-check or clock
Status chip	Feather: circle
Timeline: documents	Feather: file-check
Timeline: fee paid	Feather: credit-card
Timeline: review	Feather: clock
Buttons	Feather: refresh-cw + bell

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Verification Pending - Timeline

Fix timeline/support/message/action icons.

Broken/empty area	Use this icon
Timeline completed	Feather: check
Timeline active	Feather: clock
Verification Team	Feather: user-check
Ticket ID	Feather: hash
Support card	Feather: headphones + chevron-right
Action buttons	Feather: refresh-cw + bell

Acceptance check: this screen passes only when every visible small colored tile contains the listed icon and no square glyph remains.

Implementation Prompt for AI Agent

Make, test, iterate.

TASK: Fix all broken square icon placeholders across BikeCourier onboarding screens using this PDF as visual reference.

Hard rule: every colored icon container must contain a real vector icon from Feather or MaterialCommunityIcons. No unicode emoji, no square glyph, no empty Text icon.

Screens to fix: Login, Vehicle Selection, Profile Setup, Document Upload, Registration Fee, Payment Success Modal, Verification Pending.

Use icon mapping from this PDF. For every listed broken/empty area, replace the placeholder Text with the specified vector icon. If a tile has no meaningful icon, remove the tile.

Search entire mobile app for: square glyphs, replacement characters, emoji vehicle icons, emoji document icons, lock/star/search emoji, and placeholder Text used as icon.

Do not change auth, OTP, Firestore, Razorpay, KYC, dispatch, wallet, or routing logic. Only icon rendering and visual alignment.

After fixing, run a real-device visual audit and report: files changed, screens fixed, remaining broken icon count, empty icon box count, typecheck result, and screenshots.
